MEMO TO: INFLATABLE AMUSEMENT COMPANIES

FROM: Thomas M. Chambers
Assistant Bureau Chief

RE: Inflatables and Rock Walls

During the last two weeks of March 2007, Monday through Friday, the N.C. Department of Labor Elevator and Amusement Device Bureau will conduct inspections for all inflatable devices and rock walls.

Companies interested in participating in this new inspection program will receive a 10% discount for each device inspected during these two weeks. Location Notices must be submitted to the Raleigh office by January 31, 2007. These inspections can be conducted at your place of business or pre-designated locations to be announced in January 2007. These locations will be geographically located to reduce time and travel for each company participating.

Please reply by e-mail upon receipt of this correspondence to verify your company's participation.

Thank you in advance for your participation.
