

Inspection Process Workshop* (General and Construction Industry)

This presentation provides information on what triggers an OSH compliance inspection, OSH's right to enter a workplace, the types of inspections and how inspection activity is prioritized, and the conduct of a compliance inspection. Additional, information about how penalties are assessed, informal conferences and contestment is discussed. These workshops are **free of charge** and presented by N.C. Department of Labor OSH Division employees. All workshops will be held at OSH Division field offices. Please see below for directions.

We recommend you bring the appropriate 29 Code of Federal Regulations (CFR) for use in the class.

**Total class hours equal MESH credit time earned.*

**This information can be used to supplement your site specific training materials but is not to be considered a substitute for your organization's specific safety and health program or training materials.*
