

Introduction to OSH / Reading the CFR Workshop* (General and Construction Industry)

This presentation provides an overview of the NCDOL Occupational Safety and Health Division (OSH) organizational structure and services, as well as information about the OSH Act, the OSH Act of North Carolina, and the statutes, codes and standards enforced by OSH. These workshops are **free of charge** and presented by N.C. Department of Labor OSH Division employees. All workshops will be held at OSH Division field offices. Please see below for directions.

We recommend you bring the appropriate 29 Code of Federal Regulations (CFR) for use in the class.

**Total class hours equal MESH credit time earned.*

**This information can be used to supplement your site specific training materials but is not to be considered a substitute for your organization's specific safety and health program or training materials.*
