

## Personal Protective Equipment Workshop\* (General Industry)

This presentation provides an overview of the general industry standard including specific OSH requirements, general assessment, and training and documentation information. Additionally, hazard categories and sources as well as specific briefs on eye and face, hand, foot, head, hearing, respiratory and fall protection are reviewed. These training courses are **free of charge** and presented by N.C. Department of Labor OSH Division employees.

*\*Total class hours equal MESH credit time earned.*

*\*This information can be used to supplement your site specific training materials but is not to be considered a substitute for your organization's specific safety and health program or training materials.*
